

Oh, So Sweet!
by
Sandra Malone

It's never too early to start painting Christmas designs, and from this book, you might just want to incorporate a kitchen theme "Oh, So Sweet." You'll find wooden ornaments, candy canes, and snowflakes. We'll show some fabric candy canes and a delicious apron for that special cook, young or old. We're showing a clock made from a round Christmas ornament, ever so easy to make. Once again, we're featuring a bonus page with extra ideas to spark your interest. On this page, you'll see the oversize FUN letters made to fit a wreath, some metal stars for decorating. You really don't want to miss the fun and whimsical shoes, painted and decorated for trees or centerpieces. This book is loaded with lots of ideas for the fun at heart.
