

Oh, So Sweet!

Vol. 2

by Sandra Malone

This new book continues the gingerbread designs from the first volume of "Oh, So Sweet." There are decorative wooden books painted with inviting Christmas scenes nestled in the snow for a fun wintry look. The large book has a cuddly marshmallow snowman with goody trees surrounding him. The small one has "Oh, So Sweet" gingerbread candles. There is an assortment of painted tin trees to decorate for the holidays and we painted three gingerbread house ornaments. The new banner design, featuring more sweet designs, would look wonderful on an apron supplementing the one in the first volume of "Oh, So Sweet." Get any early start painting your gifts for the holidays, you'll want to paint everything in this new book, "Oh, So Sweet" Volume 2.
