Love and Laughter

by Sandra Malone

Do you need to give a gift for that someone that has everything? Then paint a gift bag (go green and save the paper) or give them one of your favorite old paint brushes that you've glitzed up. My favorite is an old shoe (or a new one). They are such a conversational piece. And then there's the gift card box to remind you where you want to send these things. I'm hoping you get the idea of painting on non-traditional surfaces. I love all the wood, (and I have enough for everyone) but sometimes it's just fun to create some Love and Laughter. Hope this book makes you smile.
