

# Love Notes

by Sandra Malone

If you love all the inspirational words, then this will be a fun book for you to have. We've painted some fabric pillows with angels and fun words on them. You'll also enjoy the canvas bag featuring a stitching theme on it. We've included wooden tags wired together with quick paint and finish ideas for the boutique crafter. Painted paper tags and painted covered buttons finish the book with more words. Just for fun and an added idea, we've dressed up some jars with candle stands, painted lids and fun things inside. Enjoy lots of things in, "Love Notes."
