Harvest Moon

by Sandra Malone

I think it's time for me to get out of my Christmas comfort zone and give you something different. I'm hoping that you're going to have a lot of fun with these fall and Halloween designs. You'll find that you can paint all of the designs on wood, fabric, and old vintage book papers, as well as those tags I love so much. We're showing a black fabric trick or treat bag, some candle sleeves for that spooky night. We're featuring a black Halloween tree adorned with painted tags, Halloween ornaments and of course a few candies. I've painted a couple of fun scarecrows on large wooden tags also. You'll find directions for a whimsical tree base made from an old book with Halloween silhouettes painted on it. "Harvest Moon" will certainly get you started for that fall season. I hope you enjoy it a lot.
